The Maui Executives Association (MEA) is a group of established business professionals who meet once a week for breakfast. We exchange leads and share business and community news. We promote our businesses through “two-minute commercials” and feature a member business each week. All MEA members are committed to high standards and honorable business ethics.

Share in the benefits of MEA. Your commitment to MEA is your regular attendance, quarterly dues, and, of course, leads and referrals.

“Resulting business from member leads has created profits well in excess of any time or monetary commitments.”
– Dave Futch, Coldwell Banker Island Properties

“Many of my clients have newer businesses. I value having a pool of trusted professionals in MEA to which I can refer my clients.”
– Jeannine Copp, Mana Web Solutions

“In addition to referrals outside of the MEA, in the last year [2010] of membership in the MEA I have had over a dozen fellow members purchase goods & services from my company.”
– Doug Allan, Island Sign
